The Clerk–Treasurer shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. NOTES

- (1) The charter of Queenstown was revised by the Resolution of March 28, 1967.

The prior charter was in secs. 323–353 of the 1930 Code. Before 1967, other amendments to the earlier charter were made by ch. 774 of 1939, involving secs. 325, 328, 328A, 330, 343, 343A, 353A, 353B, 353C, 353D, and 353E.

Ch. 247 of 1943 validated the purchase by Queenstown of the “Queen Theatre Property” and authorized the sale of the property.

Also, ch. 341 of 1939 added sec. 353F to the old charter, concerning the water system; and ch. 772 of 1939 added new sec. 353H to the old charter, concerning the disposal of sewage.

Ch. 102, 1935, authorized Queenstown to borrow \$15,000 for a fire prevention system and engine house. The Act of 1935 was amended by ch. 12 of the Acts of the Special Session of 1936.

- (2) The resolution of June 1, 1971, had this preamble:

“WHEREAS, on November 15, 1970, there was formally presented to the Commissioners of the Town of Queenstown, a written petition signed by owners of 25 per cent of the assessed valuation of the real property located in the areas to be annexed and by 25 per cent of the persons, who reside in the areas to be annexed and who are voters in Queen Anne’s County elections in the precinct in which the areas to be annexed are located, requesting and consenting to the annexation, and

“WHEREAS, the President of the Commissioners of Queenstown has caused to be made a verification of the signatures on said petitions, and has ascertained that the persons signing the petitions represented at least 25 per cent of the persons who reside in the areas to be annexed and who are registered voters in Queen Anne’s County elections in the precinct in which the territory so requested to be annexed is located, and that the assessment records of Queen Anne’s County show that the signers are owners of at least 25 per cent of the assessed valuation of the real property located in the areas to be annexed.”

- (3) Thus in the Resolution of March 28, 1967.

- (4) Thus in the original.

- (5) Repealed.

- (6) The cross reference in the Resolution of March 28, 1967, was to sec. 44 of the charter. It probably should have been to sec. 43, which is sec. 19–43 in this Code.

(7) Resolution 06-108, effective February 2, 2007, provided for the annexation of 809.564 acres of land, more or less. This resolution, however, failed to provide for a change in the boundary description contained in this Charter. Accordingly, this annexation is simply noted pursuant to the municipal general powers sections of this Charter.
