In addition, a copy of the courses and distances describing the corporate boundaries shall be on file in the Office of the Town Clerk–Treasurer.

Section 1–103. Annexation – Applicable Law.

The Mayor and Town Council of Friendsville shall exercise all governmental powers in any area annexed to it, expressly including those as set forth in Article 23A, Section 2 and as amended or replaced and pursuant to Article 23A, Section 19 of the Annotated Code of Maryland as amended, which it exercises within the present limits of the Town. All the provisions of the Constitution of the State of Maryland and the Charter of the Town of Friendsville, and all other general laws applicable to the Mayor and Town Council of Friendsville, and all amendments thereto, and all existing ordinances and resolutions of the Mayor and Town Council of Friendsville are hereby extended and made applicable to such portions of Garrett County as shall be annexed to and made a part of the town of Friendsville.

The Mayor and Town Council of Friendsville may, however, include such special provisions in any annexation resolution as may be provided for and permitted under this Charter or under Maryland law.
ARTICLE II
The Town Council

Section 2–101. Members; Tenure.

The Town Council shall be composed of six (6) members, who shall be elected as hereinafter provided. An elected member of the Town Council shall hold his or her office for two (2) years from the first Monday in March next after his or her election or until his or her successor has been duly elected and qualified.

Section 2–102. Qualifications.

No person shall be eligible to occupy a seat on the Town Council unless he or she shall have attained the age of twenty-one (21) years and shall have resided within the corporate boundaries of the Town of Friendsville for at least six (6) months prior to his or her election. He or she shall be a qualified voter in Town elections. The Council shall be the judge of the qualifications of its members.

Section 2–103. Meetings; Compensation.

The Town Council shall meet on the first Monday in each month beginning at a time to be set by the action of a majority of the council, and at such other times as it may deem necessary for the public business. Each Councilperson shall receive such compensation as shall be established, by its Ordinance, by the Town Council. The salary for Council members shall be uniform and shall be the same for all members. The compensation specified for any Councilperson at the time he or she takes office shall remain the same during the period for which that Councilperson was elected. The Council shall give public notice of its meetings by posting a notice thereof on its bulletin board or at such other place within the Town Hall as may be conspicuous and available and accessible by the public. Such notice shall be posted a reasonable time before any such meeting, but it shall be posted not less than three (3) calendar days prior to set meeting. The notice shall state the subject of the meeting, and if available, the meeting agenda shall also be posted. The Council may, by its resolution, give additional public notice of any such meeting by advertising the same in a newspaper of general circulation within the Town. A special meeting may be called by the Clerk–Treasurer upon request of the Mayor or a majority of the members of the Council. Any Ordinance changing the compensation paid to any Councilperson shall be finally ordained prior to the municipal election for the member of the next succeeding council.

Section 2–104. Vacancies.

In the event that any member of the Town Council, during the pendency of his or her term, shall remove his or her residence from the Town of Friendsville and no longer reside within its corporate boundaries, that person shall, upon such removal, forfeit his or her seat upon the Town Council. If any vacancy shall occur on the Town Council by reason of death,
resignation, removal of residency from within the corporate boundaries, removal from office for cause or otherwise of any member, the Town Council shall have the power within itself to fill such vacancy. It shall, however, appoint only such person as may be eligible to be elected to the Town Council. A person so appointed to the Town Council shall serve the term of the member whom he or she replaced and shall receive the same compensation as was received by the member he or she replaced. Such a vacancy shall be filled only by a majority vote of the Town Council.

Section 2–105. Meetings; Election of President.

The members of the Council shall meet at their regular place of meeting on the first Monday in March in each year to organize. They shall elect one (1) of their number to be the President of the Council, who shall preside at all meetings when present, and shall preserve order and decorum during said meetings, and shall discharge all the duties required of the President of the Council by this Charter or by Ordinances of the Town or under the provisions of state law. If the Council is unable to elect Council President, as a result of a tie vote, or a deadlock in the voting, the candidate who received the most votes in the election immediately prior shall automatically become Council President. In the absence of the President, the Council shall appoint a President Pro Tem to act in the stead of the President until such time as he or she may be available to carry out his or her duties. The President of the Town Council shall, in the absence of the Mayor, or in the case of a vacancy in that office, become the acting Mayor and shall have all the powers and perform all the duties of the Mayor, until a successor to the Mayor is duly elected.

Section 2–106. Quorum.

A majority of all of the members elected to the Town Council shall constitute a quorum for the transaction of business.

Section 2–107. General Powers.

The Town Council shall have the power to pass all ordinances not contrary to the Constitution or the Laws of the State of Maryland or this Charter, as it may deem necessary for the good government of the Town; for the protection and preservation of peace and good order; for securing persons and properties from violence, danger or destruction; and for the protection and promotion of health, safety, comfort, convenience, welfare and happiness of the residents and employees of the Town, and visitors thereto, and sojourners therein.

Section 2–108. Specific Powers.

A. In addition to the general powers referred to in Section 2–107 of this Article, the Town Council shall expressly have the power to adopt ordinances for the specific purposes enumerated in Article 23A, Section Two (2), of the Annotated Code of Maryland, as amended, and shall have all other powers enumerated in any other State law pertaining to the Mayor and Town Council of Friendsville or to municipal corporations generally.
B. The Town Council may purchase or acquire by eminent domain or gift, or by any other means, pursuant to the adoption of an Ordinance authorizing the same, such properties as the Town Council may believe to be needed by or beneficial to the Town, and may maintain, renovate, restore or repair buildings so acquired, and may sell, lease, rent or retain the same, which renovation, repair and restoration is believed by the Town Council to be for the overall public good of the community, which renovation, repair and restoration may be undertaken upon negotiated contracts. A public hearing shall be required in order for said Ordinance to be adopted.

Section 2–109. Removals.

The Mayor and/or a council member shall be subject to removal from office (a) upon conviction of a felony (b) having been declared mentally incompetent by the Circuit Court for Garrett County, or (c) by extended absenteeism, which shall be defined as failure to attend three (3) consecutive official sessions of the Mayor and Town Council or six (6) such sessions within a one–year period without just cause. Removal from office under section (c) of this article shall be effected only after an advertised public hearing and shall require the affirmative vote of four members of the Council. Removal must be initiated by the motion of at least one member of the Town Council.

Section 2–110. Conflict of Interest; Interest in Contracts.

No member of the Town Council shall knowingly violate any State statute or ordinance of the Town regarding ethics or conflicts of interest. Such a violation may be considered cause for removal.

Section 2–111. Control of Assets; Streets.

The Mayor and Town Council shall have control of all assets, streets, alleys, lanes and public ways of the Town, and may direct in what manner the same shall be kept up, repaired, opened or closed, and how and for what purpose used.

Section 2–112. Ordinances.

All major policy decisions adopted by the Friendsville Town Council shall be enacted in the form of a Municipal Ordinance, under the procedure provided for herein. Any one or more council members may introduce an Ordinance at any public session of the Town Council. Upon the introduction of an Ordinance, the Town Council shall, by a majority of its vote, determine a date upon which the Ordinance shall be considered for adoption. Said date shall be such as to provide the time required for the public notice required hereby. The Town Council shall give notice to the public of the time and place at which the Ordinance will be considered by the Town Council, by publishing a notice of the same, stating the date and time upon which the Ordinance will be considered, along with a fair summary thereof, at least two (2) weeks prior to the date set by the council for consideration of said Ordinance. No Ordinance shall become effective until approved by the Mayor, or adopted by the Council over his veto as provided in Section 3–107 of this Charter.
Section 2–113. Emergency Ordinances.

In the case of an emergency, as determined by the affirmative vote of a majority of the Council, an Ordinance may be adopted by the Council if the Council gives the same public notice of the adoption of said Emergency Ordinance as it is required to give for the adoption of a Resolution. No Ordinance shall become effective, however, until it is approved by the Mayor or passed over his veto by the Council.

Section 2–114. Ordinance; Referendum.

Any Ordinance adopted by the Town Council may be petitioned to referendum by the citizens of the Town under the procedures set forth in this section. In the event that prior to the expiration of twenty (20) calendar days, following approval by the Mayor of any Ordinance adopted by the Town Council, or passage, by the Council, of any Ordinance over the Mayor’s veto, a Petition for Referendum is presented to the Town–Clerk Treasurer containing the signatures of not less than twenty (20%) percent of the persons qualified to vote in Town elections, the Mayor shall provide for the Referendum question to be submitted to a vote of the qualified voters of the Town at the next regular Town election or, in the Council’s discretion, at a special election occurring before the next regular election, but in no event shall the Referendum question be presented to the citizens of the Town at an election less than sixty (60) days after the receipt by the Clerk–Treasurer of Petitions sufficient to require said election. In the event that any Ordinance petitioned to Referendum, as provided for herein, said Ordinance shall not become effective until and unless approved at the Referendum election by a majority of the qualified voters voting on the question at a special or regular election of the Town. An Emergency Ordinance shall continue in effect for sixty (60) days following the receipt of such Referendum Petitions at the election of the Town Council by its Resolution. If a Referendum has not been held on the said Emergency Ordinance within sixty (60) days of the receipt of the Referendum Petitions, the operation of said Ordinance shall be suspended until such time as the Ordinance shall have been approved by a majority of persons voting in said Referendum election. Any Ordinance disapproved by the voters at such a Referendum election, shall stand repealed. The provisions of this Section shall not apply to any Ordinance adopted by the Town Council levying property taxes for the payment of Town indebtedness, but the provisions of this Section shall apply to any Ordinance levying special assessment charges under provisions of this Charter.

If any vacancy shall occur in the Office of the Mayor by reason of death, resignation, removal of residency from within the corporate limits, removal from office for cause or otherwise, the President of the Council shall have the option of becoming acting Mayor until the next succeeding election. In the event the President of the Council declines his or her option to become Mayor, the Council shall elect some qualified person to fill the vacancy for the remainder of the unexpired term. Any vacancies on the Council or in the Office of Mayor shall be filled by the favorable votes of a majority of the remaining members of the Council.

Section 3–104. Compensation.

The Mayor shall receive an annual compensation as set from time to time by an Ordinance adopted by the Town Council in its regular course of business; provided, however, that no change shall be made in the compensation for any mayor during the term for which he or she was elected. The Ordinance making any change in the compensation paid to the Mayor shall be finally adopted prior to the municipal election to elect the Mayor and shall take effect only after the succeeding Mayor is elected or the sitting Mayor is re–elected. The Mayor shall have no vote with respect to any resolution before the Town Council affecting his or her compensation.

All office, department, and agency heads shall serve at the pleasure of the Mayor. All subordinate officers and employees of the offices, departments, and agencies of the Town government, shall be appointed and removed by the Mayor, in accordance with the rules and regulations of any merit system, which may be adopted by the Council.

No ordinance shall be valid without the approval of the Mayor, unless the same be passed over his or her veto by a vote of four (4) members of the Town Council. All Ordinances passed by the Council shall be promptly delivered to the Mayor by the Clerk–Treasurer for his or her consideration. If the Mayor approves any Ordinance, he or she shall sign it. If the Mayor disapproves any Ordinance he or she may veto the same. Any Ordinance approved by the Mayor shall become law immediately upon its having been signed by the Mayor. Any Ordinance vetoed by the Mayor shall be returned to the Council with a written explanation by the Mayor with his or her reasons for the veto. No Ordinance vetoed by the Mayor shall become law unless it is subsequently readopted by a favorable vote of two-thirds of all the members of the Council within 35 calendar days from the time of the return of the Ordinance to the Council. In the event that the Mayor fails to return any Ordinance within the prescribed fifteen (15) working days of its delivery to him or her, the Ordinance shall be deemed to have been approved by the Mayor and shall become law in the same manner as an Ordinance signed by the Mayor.

The Mayor, at least thirty-two days prior to the beginning of any fiscal year, shall submit to the Council a budget for the operation of the Town for the next fiscal year. The budget shall provide a complete financial plan and shall contain estimates of anticipated revenues and proposed expenditures for the coming year. The total of the anticipated revenue shall equal or exceed of the proposed expenditures. The budget shall be a public record in the office of the Clerk–Treasurer open to public inspection by anyone during normal business hours.

**Budget Adoption**

The Council may insert new items or may increase or decrease the items of the budget. Where the Council shall increase the total proposed expenditures it shall also increase the total anticipated revenues in an amount at least equal to such total proposed expenditures. In the event that this necessitates a tax increase, the Council shall proceed to establish such increase. The budget shall be prepared and adopted in a form of an Ordinance. A favorable vote of at least a majority of the total elected membership of the Council shall be necessary for adoption. No Town monies shall be expended without having been appropriated by the town Council within the budget. From the effective date of the budget, the several budget items provided for therein shall be and become authorized expenditures for the purpose stated in said budget. The Council shall have the authority, after consultation with the Mayor, to amend the budget from time to time, to add additional expenditures or to delete expenditures already appropriated, but Council shall add only additional appropriations where it finds, after consultation with the Mayor, and a review of the projected Town revenues, that the appropriations and expenditures can be made without exceeding projected Town revenues.

Balanced Budget; Overexpenditure Forbidden

The Town of Friendsville shall operate on a balanced budget. No officer or employee shall during any budget year expend or contract to expend any money or incur any liability or enter into any contract which by its terms involves the expenditure of money for any purpose, in excess of the amounts appropriated for or transferred to that general classification of the expenditure pursuant to this Charter or the Budget. Any contract, verbal or written, made in violation of this Charter shall be null and void. Nothing in this section, however, shall prevent the making of contracts or the spending of money for capital improvements to be financed in whole or in part by the issuance of bonds, the making of contracts or leases or for services for a period exceeding the budget year in which such contract is made, when such contract is permitted by law. Further, nothing in this section shall prohibit the Town from borrowing such sums as it may need in order to carry out its public duties and operations on behalf of the Town, but any such borrowing must not violate any state law, and no such borrowing shall be done except by authorization thereof by the Town Council by its Ordinance. Where appropriations lapse, all appropriations shall lapse at the end of the budget year to the extent that they shall not have been expended or lawfully encumbered. Any unexpended and unencumbered funds shall be considered as surplus at the end of the budget year and shall be included among the anticipated revenues for the next succeeding budget year.

In the event the Mayor and Town Council shall be required to bring suit upon the bond of the Clerk–Treasurer for his or her neglect of duty, default in not collecting any tax placed in his or her hands according to law or for breach of his or her duty in not paying over monies collected by him or her, proof of the delivery of the levy list shall be sufficient prima facie evidence to entitle the Mayor and Town Council to receive judgment in said suit unless the Clerk–Treasurer shall show that he or she has discharged his or her duty in such case according to law.
