No person shall do anything which will discolor, pollute, or tend to pollute any water used or to be used in the town water supply system. Any violation of the provisions of this section is a misdemeanor.

Section 89. Contracts for service.

The town, if it deems it advisable, may contract with any party or parties, inside or outside the town, to obtain water or to provide for the removal of sewage.

Section 90. Charges.

The town may charge and collect such service rates, water rents, ready–to–serve charges, or other charges as it deems necessary for water supplied and for the removal of sewage. These charges are to be billed and collected by the clerk–treasurer, and if bills are unpaid within thirty days, the service may be discontinued. All charges shall be a lien on the property, collectible in the same manner as town taxes or by suit at law.

Section 91. Exception.

The provisions of this subheading shall not extend to any town located in a sanitary district or special tax area or district authorized to discharge the powers provided in this subheading, as to the particular powers included in the authorization.

Special Assessments

Section 92. Power of town to levy special assessments.

The town may levy and collect taxes in the form of special assessments upon property in a limited and determinable area for special benefits conferred upon the property by the installation or construction, of water mains, sanitary sewer mains, storm water sewers, curbs, and gutters and by the construction, and paving of public ways and sidewalks or parts thereof, and it may provide for the payment of all or any part of the above projects out of the proceeds of the special assessment. The cost of any project to be paid in whole or in part by special assessments may include the direct cost thereof, the cost of any land acquired for the project, the interest on bonds, notes, or other evidences of indebtedness issued in anticipation of the collection of special assessments, a reasonable charge for the services of the administrative staff of the town, and any other item of cost which may reasonably be attributed to the project.
Section 93. Procedure.

(a) Provided. – The procedure for special assessments, wherever authorized in this charter, is as provided in this section.

(b) Assessment of cost. – The cost of the project being charged for shall be assessed according to the front rule of apportionment or some other equitable basis determined by the council.

(c) Amount. – The amount assessed against any property for any project or improvement shall not exceed the value of the benefits accruing to the property therefrom, nor shall any special assessment be levied which causes the total amount of special assessments levied by the town and outstanding against any property at any time, exclusive of delinquent installments, to exceed twenty-five per centum (25%) of the assessed value of the property after giving effect to the benefit accruing thereto from the project or improvement for which assessed.

(d) Uniformity of rates. – When desirable, the affected property may be divided into different classes to be charged different rates, but, except for this, any rate shall be uniform.

(e) Levy of charges; public hearing; notice. – All special assessment charges shall be levied by the council by ordinance. Before levying any special assessment charges, the council shall hold a public hearing. The clerk shall cause notice to be given stating the nature and extent of the proposed project, the kind of materials to be used, the estimated cost of the project, the portion of the cost to be assessed, the number of installments in which the assessment may be paid, the method to be used in apportioning the cost, and the limits of the proposed area of assessment. The notice shall also state the time and place at which all persons interested, or their agents or attorneys, may appear before the council and be heard concerning the proposed project and special assessment. Such notice shall be given by sending a copy thereof by mail to the owner of record of each parcel of property proposed to be assessed and to the person in whose name the property is assessed for taxation and by publication of a copy of the notice at least once in a newspaper of general circulation in the town. The clerk shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten and not more than thirty days after the clerk shall have completed publication and service of notice as provided in this section. Following the hearing the council, in its discretion, may vote to proceed with the project and may levy the special assessment.

(f) Right to appeal. – Any interested person feeling aggrieved by the levying of any special assessment under the provisions of this section shall have the right to appeal to the circuit court for the county within ten days after the levying of any assessment by the council.

(g) Payments; interest. – Special assessments may be made payable in annual or more frequent installments over such period of time, not to exceed ten years, and in such manner as the council may determine. The council shall determine on what date installments shall be due and payable. Interest may be charged on installments at the rate to be determined by the council.
(h) *When due; lien on property; collection.* – All special assessment installments are overdue six months after the date on which they became due and payable. All special assessments shall be collected in the same manner as town taxes or by suit at law.

(i) *Treasurer.* – All special assessments shall be billed and collected by the treasurer.

**Section 94. Acquisition, possession and disposal.**

The town may acquire real, personal, or mixed property within the corporate limits of the town for any public purpose by purchase[,] gift, bequest, devise, lease, condemnation, or otherwise and may sell, lease, or otherwise dispose of any property belonging to the town. All municipal property, funds, and franchises of every kind belonging to or in the possession of the town (by whatever prior name known) at the time this charter becomes effective are vested in the town, subject to the terms and conditions thereof.

**Section 95. Condemnation.**

The town may condemn property of any kind, or interest therein or franchise connected therewith, in fee or as an easement, within the corporate limits of the town, for any public purpose. Any activity, project, or improvement authorized by the provisions of this charter or any other State law applicable to the town is a public purpose. The manner of procedure in case of any condemnation proceeding shall be that established in Title 12 of the Real Property Article of the Code.

**Section 96. Town buildings.**

The town may acquire, obtain by lease or rent, purchase, construct, operate, and maintain all buildings and structures it deems necessary for the operation of the town government.

The town may do whatever may be necessary to protect town property and to keep all town property in good condition.

**General Provisions**

**Section 98. Oath of office.**

(a) *Oath required.* – Before entering upon the duties of their offices, the mayor, the councilmen, the clerk, the treasurer, and all other persons elected or appointed to any office of profit or trust in the town government shall take and subscribe to the following oath or affirmation: “I, .................................., do swear (or affirm, as the case may be), that I will support the Constitution of the United States; and that I will be faithful and bear true allegiance to the State of Maryland, and support the Constitution and laws thereof; and that I will, to the best of my skill and judgment, diligently and faithfully, without partiality or prejudice, execute the office of ........................................., according to the Constitution and laws of this State.”
(b) Before whom taken and subscribed. – The mayor shall take and subscribe to this oath or affirmation before the clerk of the circuit court for the county or before one of the sworn deputies of the clerk. All other persons taking and subscribing to the oath shall do so before the mayor.

Section 99. Official bonds.

The treasurer and such other officers or employees of the town as the council or this charter may require, shall give bond in such amount and with such surety as may be required by the council. The premiums on such bonds shall be paid by the town.

Section 100. Prior rights and obligations.

All right, title, and interest held by the town or any other person or corporation at the time this charter is adopted, in and to any lien acquired under any prior charter of the town, are hereby preserved for the holder in all respects as if this charter had not been adopted, together with all rights and remedies in relation thereto. This charter shall not discharge, impair, or release any contract, obligation, duty, liability, or penalty whatever existing at the time this charter becomes effective. All suits and actions, both civil and criminal, pending, or which may hereafter be instituted for causes of action now existing or offenses already committed against any law or ordinance repealed by this charter, shall be instituted, proceeded with, and prosecuted to final determination and judgment as if this charter had not become effective.

Section 101. Misdemeanors.

Every act or omission which, by ordinance, is made a misdemeanor under the authority of this charter, unless otherwise provided, shall be punishable upon conviction by the District Court sitting in the county within which the offense is committed by a fine not exceeding one hundred dollars ($100.00) or imprisonment for thirty days in the county jail, or both, in the discretion of the court. Where the act or omission is of a continuing nature and is persisted in, a conviction for one offense is not a bar to a conviction for a continuation of the offense subsequent to the first or any succeeding conviction.

Section 102. Effect of charter on existing ordinances.

(a) Ordinances, etc., not in conflict with charter remain in effect. – All ordinances, resolutions, rules, and regulations in effect in the town at the time this charter becomes effective which are not in conflict with the provisions of this charter shall remain in effect until changed or repealed according to the provisions of this charter.

(b) Ordinances, etc., in conflict with charter repealed. – All ordinances, resolutions, rules, and regulations in effect in the town at the time this charter becomes effective which are in conflict with the provisions of this charter are repealed to the extent of such conflict.
Section 103. Separability.

If any section or part of section of this charter is held invalid by a court of competent jurisdiction, this holding shall not affect the remainder of this charter or the context in which such section or part of section so held invalid appears, except to the extent that an entire section or part of section may be inseparably connected in meaning and effect with the section or part of section to which such holding shall directly apply.
