The Clerk–Treasurer shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten and not more than 30 days after the Clerk–Treasurer shall have completed publication and service of notice as provided in this section. Following the hearing the Commission, in its discretion, may vote to proceed with the project and may levy the special assessment.

(g) All special assessment installments shall be overdue six months after the date on which they became due and payable. All special assessments shall be liens on the property and all overdue special assessments shall be collected in the same manner as Town taxes or by suit at law.
