Loading Dock – **New location** on East (front) side of building

Display vehicles and equipment will be located outside the convention center or within your booth space. There is no designated indoor vehicle display area.

If you plan to display vehicles or equipment inside your booth space, you must inform MML in advance. This is to ensure vehicle access to your booth on move-in day.

Please adhere to the time slot for your aisle. This greatly minimizes delays at the exhibit loading dock and helps make the move-in process much easier. If you need more time contact [MML](#).

The Exhibit Halls will close promptly at 4:30 pm on Sunday afternoon.

If you have quick set-up display, there is time Monday morning between 8:45 am and 10:00 am. Must let MML know in advance.
