ACCEPTED 24/7**

with admission available directly from the ER or home once criteria are met.

Helping You Transition From Hospital To Home

To foster our patients' safe return home and to minimize hospital readmissions, we offer a wide array of clinical programs under the direction of our in-house Nurse Practitioner.

Our suite of clinical services includes:

- Post-Operative Subacute Care
- 24/7 Skilled Nursing
- Orthopedic Rehab
- Pulmonary Rehab
- Wound Care
- Hemodialysis Onsite
- Pain Management
- Nutritional Services
- Hospice / Palliative Care
- Secure Dementia Unit
- Respite Care
- Urgent SNF™ Stabilization Program

Our Subacute Rehab Program

- Dedicated Subacute Unit
- Physical, Occupational & Speech Therapy up to 7 Days a Week
- Psychiatry Driven Rehab Programming
- Expert Team of Therapists
- Individualized Plan of Care
- Consulting Specialists
- Coordination of Post-Discharge Care

Chronic Kidney Disease Management Program

Working in partnership with Board Certified Nephrologists, our clinical team is trained to provide specialized care and services to patients with Chronic Kidney Disease and related diagnoses, with dialysis conveniently delivered in-house. Preserving kidney function and preventing further decline are our primary objectives.

To increase our patients' quality of life and promote independence, our all encompassing program includes:

- Hemodialysis Onsite
- Health Coaching
- Dietary Education
- Monthly Support Groups

At Collingswood, we are dedicated to having you enjoy a positive experience throughout your stay.

Whether its an occasional cookout on our deck, painting class or an excursion to see the Cherry Blossoms – each day is a new adventure.

Our amenities include:

- Private & Semi-Private Suites
- Expansive, Open Courtyard
- Bright & Airy Lounges with Flat Screen TVs
- Complimentary WiFi & Cable
- Beauty & Barber Services
- Religious Services
- Stimulating Recreation Activities
- Local Trips & Outings
