

**“Everyone at Collingswood has a very nice attitude. I especially thank my GNA, Betty for doing anything I ask of her. The housekeeping department works well to keep things clean and my physical therapist always has a compliment regarding my progress.”**

*- Margaret Tate*

*Margaret Tate arrived at Collingswood eager to recover quickly to get home before the holiday to spend time with her two year old great-grandson. With the help of our specialized team, we are pleased to announce that Ms. Tate was able to obtain her goal.*
