

Maryland Municipal League  
*The Association of Maryland's Cities and Towns*

## 2018 Municipal Services Survey

**Please return by September 31, 2018**

On the following three pages, please find the “2018 municipal Services Survey.” This survey is done every four to five years by the League. This data is used extensively by our research and legislative staff in responding to member inquiries, writing testimony on legislative issues, providing data to members of the Administration and General Assembly, and replying to press calls.

**It should only take a few minutes to complete and return this survey.**

It is EXTREMELY important that we hear from all 157 municipalities so that we have data from every city and town in Maryland. Your input is greatly appreciated.

Please return **only one copy** from your municipality. Please fill out the form, save it, and email that PDF, or print it out, fill it out, and email a scanned copy.

If you have questions, please contact Justin Fiore at 410-295-9100 or [justinf@mdmunicipal.org](mailto:justinf@mdmunicipal.org). Thank you.
