INTRODUCTION
The Town of Somerset, Chevy Chase, MD ("Town") hereby solicits proposals from individuals or firms with experience in traffic engineering and/or traffic/parking safety consultation. The successful bidder should be prepared to meet with the Town Council, Mayor, and staff as needed. The Town expects that the contract would be awarded at the Town’s March 2, 2020 Council meeting, and the successful bidder be prepared to attend the meeting to answer questions from the Council.

BACKGROUND
The Town of Somerset is a small incorporated municipality consisting of roughly 0.28 square miles of land, consisting of 413 residential houses, a Town Hall, Town Pool, and tennis courts. See appendix A for map of the Town. For several years, members of the Town’s Pool Committee and other residents have raised concerns about pedestrian safety in the pool parking lot, and inadequacy of signage.

The path to the pool runs between Warwick Lane and the pool house, through a parking lot, and across a bridge. The path is used year-round, so recommendations for improving safety must address concerns during the pool season, as well as those of Somerset residents walking to the Friendship Heights metro, and parents and children from Friendship Heights walking to and from Somerset Elementary School.

SCOPE OF WORK
The successful bidder would be engaged to review pedestrian and automobile safety at the Town Pool parking lot, identify safety issues, and develop a maintenance plan and recommendations prior to the opening of the pool on May 16, 2020, but preferably earlier so recommendations can be implemented before the pool opens. Recommendations should address the following issues:

- Signage;
- Pedestrian and vehicle visibility;
- Parking spaces;
- Additional parking requirements (e.g., requiring back-in spaces);
- Path maintenance;
- Bridge safety;
- General guidance to public works staff regarding maintenance practices, and determine if additional staff/contractors are needed;
- Any other safety precautions or measures that might be adopted.

SUBMITTAL REQUIREMENTS
Proposals must include the following:
• A transmittal letter introducing your firm and general approach to this work;
• The qualifications of your company to perform the scope of work, and any equipment and materials that would be used;
• Proof of registration to do business in Maryland (Md. Code, Corps. Art. Sec. 7-201);
• Copy of certificate of liability insurance;
• The name(s) of the designated project manager(s) and a summary of their qualifications;
• Cost information, including equipment and materials rates; and
• Two references with contact information.

The successful proposer will be required to execute affidavits of non-collusion, non-conviction, and non-suspension/disbarment (Md. Code, State Finance and Procurement Art. Sec. 16-311(a) and (b)) (see attached appendices B & C), and a written contract in a form approved by the Town.

The successful proposer must be an equal opportunity employer and all qualified applicants for employment with the proposer must receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
