

Pay Range: TBD

City of Cambridge

CLASS SPECIFICATION

HOUSING SPECIALIST

DEFINITION OF CLASS: *This is a two year, grant funded, independent consultant (IRS 1099) position that requires a highly responsible and skilled applicant.*

The Housing Specialist shall:

- *Relocate to the City of Cambridge or expected to report to work in Cambridge.*
- *Provide oversight and full management of the City of Cambridge's housing and neighborhood revitalization program.*
- *Possess strong organizational and administrative skills with the ability to prioritize a dynamic work program.*
- *Have excellent oral and written communication skills, as well as strong interpersonal skills.*
- *Be a creative problem-solver, have analytical skills, paying close attention to detail.*
- *Possess experience and knowledge in public processes, municipal code administration, project management, and real estate development/finance.*
- *Have experience in the practical application of real estate underwriting concepts and procedures.*
- *Be able to coordinate and perform complex urban renewal functions, working under the direct supervision and guidance of the City Planner.*
- *Have in depth knowledge of urban and building design.*
- *Prepare DPW/Housing recommendations to the Mayor, City Council, City Manager, and other City commissions, department heads and agencies.*
- *Provide accurate information to property owners, developers, community organizations, and the general public.*
- *Conduct site and field inspections.*
- *Prepare computer based and hard copy graphic materials.*
- *Conduct research studies, surveys and interviews to obtain data to assist in formulating housing policies, development projects, and assess the environmental impact of proposed projects.*
- *Prepare grant applications.*
- *Oversee special projects as assigned.*

EXAMPLES OF DUTIES (including but not limited to):

- *Analyze, plan, and manage complex housing development and servicing projects.*
- *Proactively proposes, evaluates and executes residential and affordable housing strategies for successful implementation; projects will include both the creation of the housing itself as well as identifying future needs, attracting investors, developers and homebuyers.*

- *Identify and search out financial resources and ongoing sources of funding for the City's resident housing program and housing project.*
- *Serve as Program liaison to developers, banks, architects, attorneys, the community, local organizations and other government agencies. Use financial analytical skills with an in-depth understanding of affordable housing finance, including the low-income housing tax credit and tax-exempt bonds*
- *Analyze and structure complex financial strategies and packages.*
- *Use principles and practices of budget development, administration, and accountability.*
- *Know principles and practices of contract administration and evaluation.*
- *Be able to perform technical report writing and preparation of correspondence.*
- *Promote the importance of resident housing within the community, which may include some evening and/or weekend meetings.*
- *Possess techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and staff.*
- *Conduct site and field inspections.*
- *Prepare land use maps, zoning maps, drawings, diagrams, graphs, charts, photographs, video and other display materials related to analyses and reports.*
- *Perform other tasks as assigned by City Planner.*

MINIMUM QUALIFICATIONS:

- *BS/BA in relevant and related housing/planning, public administration/policy or related disciplines required. Master's degree preferred.*
- *3 to 7 years broad-based level housing/planning/development experience required.*
- *Working knowledge of architecture and building design.*
- *Working knowledge of computer software and applications, including Microsoft Word, Excel, Power Point, Photoshop or equivalents.*
- *Basic knowledge of the principles and practices of zoning; knowledge of maps, plans, and other documents relating to development, planning and zoning.*
- *Experience using Federal grant programs to finance affordable housing such as, but not limited to, CDBG, HOME and Low-Income Housing Tax Credit (LIHTC), National Housing Trust Fund, and/or New Market Tax Credits.*
- *The ability to develop partnerships to create housing opportunities and incentives for home ownership, including partnering with local banks and Federal Home Loan Bank.*
- *Knowledge of rental housing development finance, and solutions for supporting residents in rental housing, including lease to ownership models.*
- *Knowledge of rental development companies that provide supportive models.*
- *Experience with land banks.*
- *Experience with code enforcement or policy changes that create a positive impact on rental properties and reduce vacant, blighted properties.*

- *Knowledge about strategies other communities have used to engage the community, create affordable housing opportunities, and revitalize neighborhoods.*
- *Ability to interpret and apply codes, regulations, policies and guidelines.*
- *Ability to research and analyze planning information and present the results in oral, written and/or graphic form.*
- *Possesses excellent written and oral skills.*
