

# KAISER PERMANENTE IN GREATER BALTIMORE

As the region's leading health system,\* Kaiser Permanente's mission is to provide high-quality, affordable care and improve the health of our members and the communities we serve. Our unique, integrated model puts each of our approximately 770,000 members in this region at the center of the care experience. Our expert and caring medical teams are empowered and supported by industry-leading technology advances and tools for health promotion, disease prevention, state-of-the-art care delivery, and world-class chronic disease management. We are dedicated to care innovations, clinical research, health education, and improving community health for all.

## 5 medical centers

Kaiser Permanente has 33 state-of-the-art medical centers across the region, including 5 in Greater Baltimore. Each center offers multiple services in one location: primary and specialty care, lab, imaging, pharmacy, and more. Having multiple services under one roof, with virtually no paperwork, saves patients valuable time and money.
